## Happy New Year!

As Fox Bros. Charter Service takes its seasonal "pause" from the lake, I wanted to wish everyone a Happy and Healthy New Year.

I would also like to express a sincere thanks to all the wonderful customers we had a chance to fish with last season. I really appreciated the opportunity to meet and see the new, and the regular groups that went fishing.

We had a great season, highlighted by an early (May and June) limits of coho salmon, a 34 plus pound Chinook salmon, and winning the Great Lakes Ozaukee Chapter Shootout Fishing Contest, to mention a few.

Before you know it, we will be back in the water, and starting our 42<sup>nd</sup> season. We are looking forward to another great season. The boats will be ready to fish by early April, and we will start taking reservations in January.

As usual, Fridays, Saturdays, and Sundays are the first to book, so plan your date, and give me a call. I can't wait for the up coming season. I am very optimistic about the fishing again.

I look forward to hearing from you.

Thanks again,

Capt. Dan
